**JUNE 4-8, 2017**

This tour has been planned especially for you by Carolina Tours.  
*Our cost is down from last year...but we only have room for 25 people! Call right away!*  
**2017 is definitely the year to go to Las Vegas!!**  
**Are you ready to try your luck?**

Join us as we travel to *Las Vegas*. We will be staying at the 4 Diamond/4 Star *Golden Nugget Hotel & Casino*, located *right downtown and right in the center of the Fremont Street Experience!* Our resort is located in the heart of the action...the locals swear that the slots downtown are much looser than on the strip! AND, you don't have to gamble to enjoy *Las Vegas*...the food is great! Where else can you get a prime rib dinner for just \$12.95?? The shows are sensational and you always have a wide variety from which to choose. Other optional activities include tours to the Hoover Dam and The Grand Canyon. The best part is that you will be accompanied by an experienced *tour director* who will handle all the worrisome details of travel and also help you plan what to see while in this exciting city.
