CELEBRITY'S 'SUMMIT'

And how about our ship?? Although Celebrity's "Summit" took her maiden voyage in the summer of 2002, she has recently been totally refurbished and returned to her original splendor! And, as you sail into the lush, exotic landscapes of Bermuda, you will be surrounded by great beauty *inside* our ship, too. On the "Summit" you'll discover finishes of rich wood, etched glass, stone and marble, with museum-worthy artwork at every turn. Further exploration will reveal the exclusive Cova Cafe Milano, the intimate atmosphere of Michael's Club, the Martini Bar and the Champagne Lounge.

Only on Celebrity ships like "the SUMMIT" will you find the luxurious AquaSpa where the Conservatory's glass dome offers splendid views of the bejeweled oceans you will traverse. Our superliner also has a special "Thalassotherapy" pool that can only be found on this class of Celebrity ships. Onboard enrichment lectures will provide the opportunity to learn about the fascinating history and culture of your destinations and you will dine in the grandeur of a two-story restaurant with soaring views of sky and sea.

Your cruise aboard Celebrity's "Summit" will be a study in attention to detail--from immaculately-maintained public areas, to crisp white linens and sparkling crystal in the dining rooms, to a stateroom perfectly prepared for a restful evening. The goal of each staff member is to render seamless, professional service to each and every guest, each and every time!

From the moment you set your eyes on St. George's, Grenada, you'll see why it's considered one of the most picturesque ports in the Caribbean. Lush vegetation, mountainous terrain and colorful colonial architecture make up the landscape. And if the sights don't wow your senses, the aroma will. Grenada is also filled with spice trees and is a leading source of many different spices, including nutmeg, cloves, ginger, cinnamon and cocoa.
