VISIT WASHINGTON, D.C.

ALSO, THE GROUP TRAVEL PROTECTION PLAN HAS BEEN PURCHASED ON BEHALF OF ALL TRAVELERS ON THIS TOUR .

This is a wonderful opportunity to visit The National World War II Memorial... This memorial was especially designed to honor all military veterans of World War II, the citizens on the home front, the nation at large, and, most importantly, our veterans!

Our nation's capital has a colorful past and an exciting present—and, even though you may have visited Washington, DC in the past, much has been added. You will enjoy the services of a step-on guide as you spend 2 days touring this fascinating city. Highlights, in addition to the World War II Memorial, will include the Jefferson Memorial, FDR Memorial, Lincoln Memorial, Korean War Memorial, Vietnam Veterans Memorial and the Marine Corps War Memorial. A special stop will be made at the Arlington National Cemetery for the Changing of the Guard Ceremony. Of course, with a guide on the motor coach, you will also hear many interesting anecdotes about the people of the city. You will receive an overview of the historical, cultural and governmental life of our capital as you drive down Embassy Row and around the city. As part of the driving tour, you will see the Washington Monument, the Capitol, the Smithsonians, the Bureau of Printing and Engraving, the FBI Building, and much, much more! Because our hotel is just 1 block from the Mall, you will also have free time to visit the Smithsonians downtown on the second afternoon of our tour. There will even be a stop at the National Museum of the Marines on the way home.

You will love this hotel!!

We have designed this tour with YOU in mind. You will spend 3 nights at the Holiday Inn Capitol just 1 block from the Smithsonians and the Capitol. You will meet your guide each morning at 9:00 am. The second day you will have the afternoon free to explore the Smithsonians. This will give you “down” time to relax and ‘recoup’ for the activities of the next day...or you may choose to ‘metro’ to an area of interest! In addition to hotel restaurants, you will have access to many shops and restaurants located in the immediate vicinity of your hotel.

This tour was designed especially for you by Carolina Tours.
